Applicant is requesting reconsideration of a final refusal dated May 15, 2005.

After careful consideration of the law and facts of the case, the examining attorney must deny the request for reconsideration and adhere to the final action as written since the narrowing of the identification of goods does not sufficiently diminish the relatedness between the respective goods and services. Consequently, no new facts or reasons have been presented that are significant or compelling with regard to the point at issue.

Accordingly, applicant's request for reconsideration is *denied*. The time for appeal runs from the date the final action was mailed. 37 C.F.R. Section 2.64(b); TMEP Section 715.03(c).
